

We the yearbook staff of 1995, hope that this year's yearbook has captured many great Mariner memories for everyone to keep with them in years to come. We hope that you enjoy this year's book as much as we do. This yearbook shows a combination of school spirit, pride, and dedication from everyone at Marine City Ward-Cottrell High School.

This school year brought about many changes starting with our new principal, Mr. Robert E. Rood, who has made many new improvements. Joining him were a few new

faces on our office staff.

Every school year has a different meaning and understanding to everyone. Before you know it it has come and gone, and the next year is right around the comer. So with this yearbook we give you a piece of your life; of the year 1995-1996.

HOMECOMING COURT

OUT OF THIS WORLD

Homecoming is the first big event of the school year. It is a time to show both your class and school spirit by getting involved in spirit week, working on floats, participating in the pep assembly games and cheering for the football team on Friday night.

To be elected as part of the homecoming court is a great honor and will always stand out when looking back upon high school years. The 1995 homecoming court was crowned at the annual pep assembly and was recognized during halftime of the homecoming game vs. Marysville. Congratulations court members!

SPIRIT GIVES POWER

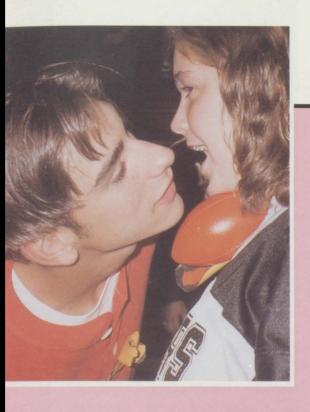

HOMECOMING ASSEMBLY

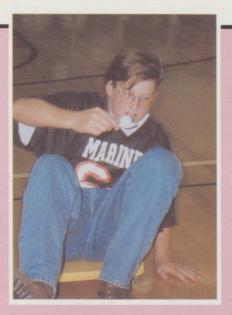

Friday Oct. 13, 1995 was a great day for Marine City High School. There was fun around every corner!

For each class this years homecoming had a different meaning. For some of us it was our last but for others it was just the beginning of many more mariner memories to come. This year's assembly consisted of many fun activities. The pie eating contest (which was won for the second straight year by senior Ralph Farver) is always fun to watch. Some other games were the football pass, tug-of-war, bag-of-clothes race, caterpillar race, and the spirit-chant by classes.

This year's court consisted of a beautiful Queen, a hand-some King, and attractive princes and princesses. After everything is said and done, we can all say that this year's assembly was great.

Pieces of the Spirit

Spirit Week Spirit Week is back ... with the wild and crazy outfits. Students dress up to show their class support and to have fun. Many seniors dressed up for Toga Day to remember their last year in participating for Spirit Week. The themes for the different days were College Sweatshirt Day, Pajama Day, Senior Toga/Class Colors Day, and Orange and Black Day. The seniors took a first again. Second glance was the Junior class. Third was Sophomores, and Freshmen in fourth place.

Bad Luck

Homecoming '95

The Marine City Mariners, put up a valiant effort against the tough Marysville Vikings, but came up short 34-20. Over 6,000 fans were in attendance for the '95 Homecoming game. This battle between the two rivals featured some great hits and plays. The defense was led by senior linebacker Wes Kammer and senior defense back Ryan Van Tiem. The offense was led by senior fullback Jeff Sankuer and guard Dave Donaldson. Hopefully next year the curse will be broken and the Mariners will prevail.

GO SENIORS!

"Space"

The Seniors float won first place this year. They worked very hard and took their own time to work on the float. The theme of their float was "Next Genenration". They worked very hard and had a lot of fun doing it. The theme of the float tied into the theme homecoming "Space". All of their hard work paid off in the end when they won first place. Good Job Seniors!

WAY TO GO!

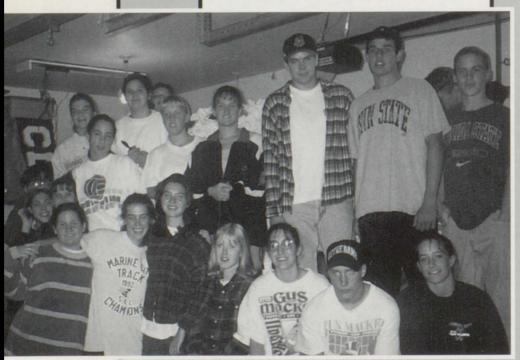

Juniors take 2nd

The juniors worked hard once again this year to come out with a successful float. With the dedication, time and effort of many students they achieved their goal. A lot of hard work was put into the float which showed when all was said and done.

The Mariner on top of the Marysville helmet well represented the man on the moon following this year's homecoming theme of "Outer Space."

HomecomingOutta This World

There are a variety of preparations for homecoming, such as homecoming elections, themes, floats, and decorations. This is one school activity that everyone remembers. For the freshmen there are many memories to come, and for the seniors it will be the last homecoming memory that they will have. The day of homecoming rolls along, early in the morning the gym is decorated in Outer Space. Students are getting ready for the big night. The pictures, dinner, and then the excitement, and romance. The gym is filled with over 600 people which will slowly fade when the last slow song is played and the lights turn on. But the memories will not fade slowly. Homecoming "95" was Out Of This World!

Prom'95

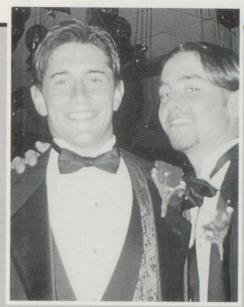

Hollywood Night

The 1995 Prom theme was "Lights, Camera, Action." The junior class began raising money early in the year with a car wash and the annual rock-a-thon. The night before prom many volunteers worked long and hard on turning the K. of C. Hall into a total success with recordbreaking attendance! J. D. Hill and Patty Morehead were named King and Queen. Hopefully, Prom '95 was memorable for all who attended.

JOBS For a little extra cash . . .

For many of us, jobs are a large part of our lives. As if school, sports, and after school activities weren't enough, we also have a commitment to some cheesy minimum-wage-paying employer. You want a social life too? HA! For all of their bad sides, though, jobs teach us real life responsibilities. They also show many of us exactly what we DON'T want to be doing for the rest of our lives. So all of you dent/employees give yourselves a pat on the back and enjoy the extra jingle in your pockets.

Hobbies

Free Time!

There are many activities that students do outside of school. They can range from ballet or horse back riding to playing card games or hitting a hacky sack around. Many kids have continued their hobbies through their school years, like senior Lori Forst who has been studying ballet for almost 12 years. Others are just beginning their hobbies, like juniors Carrie Krueger and Kristin Tyszkiewicz who have just recently taken up waverunning.

Fashion Statement

Isn't that Trendy
Styles among students change so often that it's difficult to keep up. Everyone pretty well sticks to their own style. Some prefer to keep with their jeans and tees while others like to go all out with chains, spiked collars, and combat boots. Sweaters and flannels are still commonly around. DREAMY NITE Fashion Show

Marine City High School had the Seventh Annual Fashion Show on March 16, 1995. The theme for this year was Sleeping Beauty. The cast of Sleeping Beauty was Jennifer Duetsch, Greg Heath, Jessica Ikera, Wendy Ameel, Jennifer Johnson, Angie Soltys, Susann Schafer, Andrew Koch, Jim Petipren, and Jeremy Manion. The Fashion Show was filled with much more entertainment, by many talented people. Many students go to see dresses/tuxedos, music, to win door prizes, and most of all ... to have fun!

Sportin' Our Spirit

Winterfest Spirit Week

Marine City High School students showed their spirit during the Winterfest Spirit Week this year. The themes for each day ranged from sunglasses day and crazy hair day to signature day and the traditional orange and black day. The creative students of MCHS displayed their originality and personality with their appearance each day. Without this originality, the Winterfest Spirit Week would never be as fun as it was this year!

WINTERFEST WONDERLAND

Winterfest is one of the most exciting dances of the year. It is that special time when all the girls have to ask their secret crush or perhaps just a good friend for a night out. Every year each class comes together to pick court members to represent them. This Winterfest was especially memorable because for the first time the court members were officially crowned and took their thrones onstage to watch the pep assembly. The next day was the dance and everyone partied the night away. Romances began and friendships grew stronger. Just another piece in time? I think not.

Winterfest Dance

Cruise Line

Winterfest is one of the great times of the year. All week there is a spirit competition between classes and at the end of the week we have the pep assembly in which the classes participate in the final games to determine which class has the most spirit.

For this year's Winterfest Dance the theme was Cruise Line. The great decorations were worked on by the student leaders who also sold the tickets. The dance was a great success and was enjoyed by all.

Class Officers

This year's Class Officers are starting the year off right. Freshmen will have the M&M's fundraiser, candy cane sale, sponsor a dance, a winterfest photo fundraiser, Homecoming stage decoration, and live the high school experiences for the first time. Sophomores sold cow bells at the homecoming game, Prom pictures, and sponsor dances. The Juniors have already done a car wash, held a school dance, organized the powder puff game, and will be doing the rock-athon, decorating the Jr./Sr. Prom and being hoop girls at Gradua-tion. The Seniors pick

graduation announcements, they're in charge of voting of the class song, motto, and flower, ordering the Senior class shirts and organizing other graduation events.

National Honor Society

A Helping Hand

The National Honor Society continues its commitment to service, character, leadership, and dedication to provide help to the surrounding community. The organization is fiftyfive members strong made up of only those students who have obtained a minimum of 3.33 cumulative grade point average and is active both in and out of school. The National Honor Society has been a part of Marine City High School for more

than 60 years and will continue its high honored tradition.

The National Honor Society devotes it time to fund raisers and other ways of helping people in the community. This year they sold "turkeys" for money to go towards feeding families for Thanksgiving. To all the members of the NHS I'm sure there's a lot of people who would like to thank you for making such a difference. Keep up all the good work.

Working Hard

This year's Business Professionals of America, worked very hard. The BPA members all have different interests. There are many different fields that they can each participate in. They each go to competition and each person can win several different awards. Their organizer is Mrs. Collen Webb. Mrs. Webb works very

hard along with the rest of the BPA.

Mrs. Webb put together each meeting and helps each person to do their best. The BPA has to raise money for their organization. They all have to sell candy and have other fund-raisers. They all work very hard. Keep up the good work!

Quiz Bowl

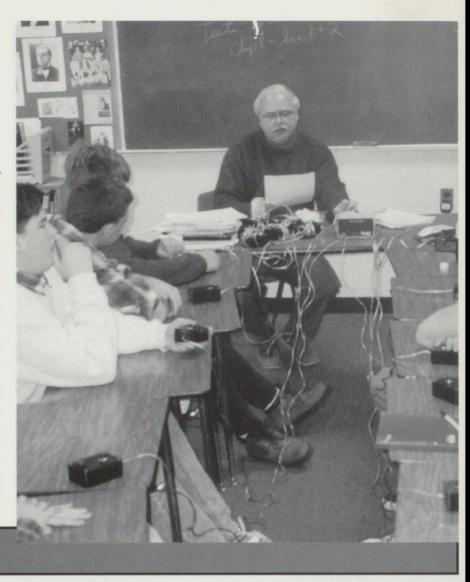

Brain Strain

Quiz bowl is a highly competitive activity that demands lots of time and dedication from each individual player! Such as they use their lunch hours to practice for their matches. There are eight schools that they compete with. P.H., P.H.N., St. Clair, Yale, Marysville, Alg., and Capac.

Quiz bowl is a Competition in which the students attempt to answer questions from a number of different areas. In order to win they not only have to answer the question right they have to be

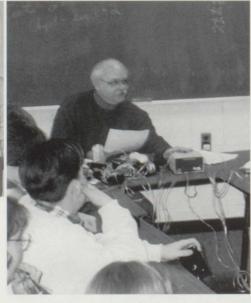

the first to ring in.

There are a lot of students that are participating in quiz bowl this year, both varsity and junior varsity. The Varsity players are Melissa Acre, Robert Brownin, Brian Herbon, Aaron Clark, Debra Ratliff, Chris Radomski, Justin Beal, Mark Cunha, and Kate Beamfait. They are led by Mr. Homberg. Mrs. Chrisy leads the junior varsity. Both, Mr. Homberg and Mrs. Christy are working hard to make sure their teams are the first to ring in on all the questions.

Hopefully they will ask all the right questions.

MUSIC MELODY

M.C.H.S. Band

The Marine City H.S. Band is not just a class that's one hour long during the week. During the course of a year, they also go to band camp, play at the Basketball and Football games, go to re-gionals for Marching Band, have concerts, go to clinics, and go to Chicago. To raise money for all these things they hold a bowling-thon, sell candy bars, poinsettias, and Geraniums. They have a pancake breakfast, sell raffle tickets, and do the dirty work at a car wash. This year the band has made a tape and a CD of their music.

This year's members were as follows: Melissa Acre, Amanda Barnowski, Kate Beaufaith, Jennifer Bramlett, Dominique Breloski, Nathaniel Burmann, Jenee' Burns, Tashina Cavasoz, Melissa Collier, Jason Copp, Rebekka Corey, Christopher Delor, April DeMist, Dawn DeMist, Danelle Driver, Nicole Driver, Jason Duetsch, Adam Dziedzic, Billie Rae Emery, Sarah Frantz, Marc Golan, Jason Gudenau, Nathan Hauke, Heather Hier, Selena Hyden, Gregory Jones, Renaye Jurczak, Ronald Kalich, Erik Ketcham, Sarah Ketcham, Carrie Krueger, Nicholas Kuecken, Jenna Labuhn, Marcus Lemerand, Delonna Leppek, Bryan Lomerson, Rachel Lucarelli, Marshall Magnan, Heather Maloney, Richard Matott, Scott McColley, Jeffrey McCue, Kristen Meininger, Juliet Miller, Kristina Nichols, Gary Nye, Rebecca Olszewski, Andrea Patterson, Craig Phillips, Christopher Radomski, Thomas Raymond, Jessica Schultz, Sarah Slater, Mandi Smallridge, Tammy Sorrentino, Regina Stec, Coree Strunk, Jessica Taranek, Danielle Tebeau, Marcy Unruh, Christine Villerot, Gregory Waslar, Glenn Whitenight, Greg Wirth, Toni Yax, Robert Yeo, Alicia Zajac, and Michael Zajac.

Teacher Aides Lending A Hand

During their senior year, many students decide to become aides for their favorite teachers. MCHS teacher aides are often seen, sporting their badges, at the copy machine, correcting papers, and running numerous errands for their bosses. To become a teacher aide, a student must fill out an application while scheduling for their

senior year.

MCHS teacher aides are a big help to the staff and are greatly appreciated for their service. Being an aide also gives students an idea of the problems and stress teachers face every day. It is a great learning opportunity. Also students, don't forget, it may be the only time you will get to handle the red ink!

Foreign Exchange

Coming to America

Marine City High School is honored to have our five exchange students this year. Every year exchange students come to the United States from all different countries. They live with their host families.

This year we are pleased to have Camila Kaschny from Brazil, Khalida Avazbekova from Kyrgyzstan, Xochitl Patron Hernandoz from Mexico, Jose Gomez-Rojo from Spain, and Nadine Laidl from Germany.

Students here have learned about their cultures, and all about their foods. Their favorite foods in the United States were JUNK food, and hotdogs, and hamburgers. We have also learned about their languages. Some of them had fun being on a sports team. We hope that the exchange students have had a great time and plan on returning to the United States again.

Rock-A-Thon

Juniors Rock!

This year was the 14th annual Junior Rock-A-Thon, which took place the Thursday during Parent-Teacher Conferences. The Rock-A-Thon is the major fund-raising event for the Junior/Senior Prom. This fund-raiser lasted for a total of 12 hours, and was supervised by parents of Juniors. The students were responsible for bringing their own rocking chairs. They entertained themselves by playing

video games, listening to music, reading, and watching movies. There was about 30 Juniors present, and all together they raised \$1,100. With each year, the Rock-A-Thon becomes bigger and better, and there's no doubt that the effort put forth will make this years Prom a big success. We would like to take time to thank Mrs. Biebuyck and all the parents who helped to put the Rock-A-Thon together.

2nd Year

Yearbook

Staffers -

Cori Charlesworth, Editor

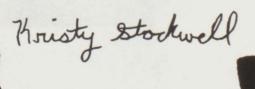

I have been involved in many different activities throughout my high school years and I have to say that yearbook has been my most interesting, demanding, and exciting challenge. I never imagined how much time and hard work were necessary until I became a part of the yearbook staff. Even though the pressure can get to you sometimes, capturing the year's memories for the entire school to enjoy and look back upon is a wonderful opportunity. I will really miss working on the yearbook after graduation. I have worked with two really great staffs and a very dedicated advisor who was always there for us whenever we had questions or needed any help. (We thank you!) I wish all the best to next year's gang and all future staffs. Good luck and have fun!

Cori Charlesworth

Kristy Stockwell Business Manager

Being on the yearbook staff for two years was an exciting yet challenging task. My first year was a trial year. I walked in the class not sure what to expect and asking for help a lot while learning. My second year I knew what to expect so I was ready to get down to work right away. I also had an extra load of responsibilities this year being the business manager which forced me to stay on task. In this class I have learned responsibility, teamwork, cooperation, putting leadership skills to use, and how to use my own ideas to come up with something creative that I hope the whole student body can enjoy. I've also learned how to manage my time to get my assignments in without being late. If one person's page is late it delays the whole book so that adds some pressure on you to give it your all. Deadline times are very stressful, but a successful book makes it all worthwhile. I can truly say that I'm very proud to be a part of the '95 and '96 yearbooks, and if I had the choice of doing it again or not, I definitely would in a heartbeat. It's a terrific and fun time capturing memories and transforming them into pages. Along with developing a yearbook from lots of blank pages, friendships and long lasting memories are created. I would like to thank the whole staff for a terrific year and the best book and team yet. Good luck and best wishes next year.

First Year Senior Staffers: Jenny Bramlett, Kristina Ledford, and Amber Treaster

Stealing Home

The J.V. Softball team put forth a great effort last season and all their hard work payed off in a big win over Marysville resulting in a score of 14 to 2. One of the players was our foriegn exchange student Yoko Kudo from Japan who helped the team as a whole. Under the coaching of Mr. Alley all of the players greatly improved due to many hours of long and hard practices which will in return give them all a great shot at a varsity spot next year.

Shaping Their Moves

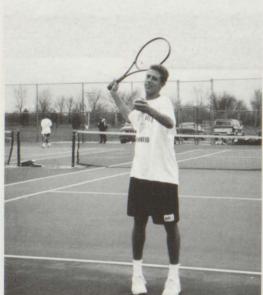

The tennis team did extremely well this past season under the coaching of Mr. Dimmer. They finished 2nd in the SCAL championship tournament and also received 2nd place in the SCAL dual meets. Not only did the group do well

as a team but also individually. Marc Golan and Matt Musham placed third in doubles while Greg Heath and Joe Cartwright finished fourth. Fourth place in singles went to Matt Phelan and third to Matt Biscorner. The team only lost two seniors with the start of this year and has gained a hand full of n

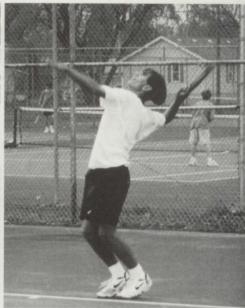

this year and has gained a hand full of new underclassmen which leads to a lot of hope for a promising new season.

Starting Out

The Ninth Grade Football Team put forth a valiant effort all season. Overall they had a 2-7 record, with two wins against St. Clair. Since there was a lack of other ninth grade teams, our team had to play JV teams with a little more experience. Under the circumstances the team played several excellent games, and learned a lot about working together as a team.

There is a lot of hope for the team

and many of the players have what it takes to lead our team to success in future years.

SHOUT OUT!

This year's Junior Varsity Cheerleading team was coached by Mrs. Chris Potts, who the girls loved. Their coach and captains Susan Bassham and Heather Hintz have helped the girls come a long way.

CHEERLEADING

The '96 cheer team went to two competitions which resulted in each last place. The girls work very hard, they practice everyday after school improving themselves on their cheers and stunts. The team consists of 10 very dedicated girls. It takes a lot of work, and

strength to make the team. The girls do a great job at the basketball games getting the crowd in the spirit! Keep up

the good work team!

We've been in studio recording, we won the blue water battle of the bands in 1995. we've played through Detroit and other places and have been on the radio. We've put on two concerts for the school and they were always a great turn out. The band thanks everyone for the support they have given.

THE LAST PIECE

"The Year in Pieces" was published by Taylor Publishing in Dallas, Texas. Film was developed and supplied by Prestige Portraits in Royal Oak. 450 copies of volume #76 were published with an expense totaling \$16,473. This cost is covered by the selling of advertisements, parent pages and yearbooks.

Special thanks goes out to local Taylor rep. Sam Slis, In-plant rep. Pam Ringold, Prestige rep. Toni Brown, yearbook advisor Mr. Bladow, and all companies and organizations who helped con-

tribute to the success of the 1996 year.

A big congratulations goes out to the '96 staff who walked into the class with little experience and ended up doing a wonderful job. Thanks to all for a great year!

Cori Charlesworth Yearbook Editor

The yearbook staff always made time to have some fun.
